Our food ethos...

We are a small family owned and family operate business, we are proud members of our community and concerned citizens of this country. Our shared values and principles are central to our business and our values often go deeper than simply benefitting the family, but also the wider community in which we operate including projects supporting charities that fit our mission.

Our butcher in Aldeburgh ensures that all of our meat is not only sourced as locally as possible but also of the best quality. Our fish comes directly from the markets in Lowestoft sourced only from sustainable stocks. Our bread is from the famous Pump Street bakery in Orford and delivered fresh on a daily basis. Our greengrocer in Leiston is able to offer some top locally grown produce whilst during the warmer months we have daily deliveries of fruit and veg that has been cut just minutes before it arrives from the local allotment just a stones throw away. Even the milk we use is from a local dairy. It doesn't stop with food - our offering on the bar also boasts some great local names. Aspall not only makes the vinegar you put on your chips but is much better known for its award winning cider. You can't come to Suffolk and not have a pint of Adnams, from Southwold just up the coast.

Our Sister pub is just down the road... with great steaks from Salter and King in Aldeburgh and fresh fish from Danny in Lowestoft. Not to mention the bar of course, maybe a Aperol Spritz or an Elderflower Cooler will quench that thirst
