Remember, remember the 5th of November.... I don't think this is a date that any of us will forget for some time. Lock down 2.0 starts and 50 days to Christmas. It is with heavy heart that we have to close our doors again, hopefully just for 4 weeks this time.

I want to take this opportunity to thank everybody that has supported us since we re-opened in the summer. Those that haven't ventured out yet we will be here, waiting for you and ready to welcome you again in the future.

We hadn't planned much for this Christmas but even the few things we did have planned are now in question. Christmas is such an important time for most of us. Therefore, it is vital more than ever to make sure we are there for each other. Social media makes it so easy now to keep in contact with each other, but just a walk with a loved one, friend or neighbour could mean so much to them.

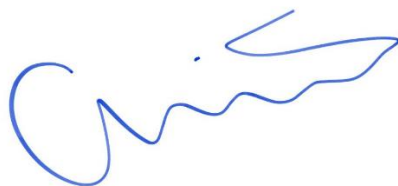

During the summer we began to offer our takeaway menu and I'm really happy that we are able to continue to offer takeaway food during this lockdown. We have a slimmed down menu but it is still full of your favourites. Our suppliers have reassured us that they will continue to deliver so we are in a very good position to offer this for the whole lock down.

I will continue every week with my Parrot Puzzler quiz and with any luck I may throw a bonus quiz in during the week. I am also planning on making some cooking videos from home that perhaps people can follow and enjoy some home cooking.

Follow us on Facebook and Instagram to keep up to date with everything we are doing. Not even the lock down will break my Christmas spirit and therefore our decs will go up at the end of the month so look out for our lights.

The Dolphin will be closed during lockdown, but again follow their social media to keep updated on the Festive Veg boxes.

Thanks again to everybody for their support, stay safe and look out for each other. I hope to see all of you again very soon.
